# NOW HIRING

## ABOUT BOA MARINE SERVICES

**BOA Marine Services (BMS)** provides engineering, construction and contracting services related to offshore construction and subsea field developments. Our fleet of nearly 40 vessels and barges includes Offshore Vessels, Construction Vessels, tugs and both flat top and submersible barges.

## BENEFITS

BMS offers a comprehensive benefits package which includes employee and dependent medical, dental, vision, life and disability insurance. In addition, BMS offers a Section 125 Flexible Spending Account, Employee Assistance Program and a retirement savings plan (401k) which includes a company match (up to 6%). Additionally, you may participate in any of the supplemental benefit plans made available to all employees through payroll deduction. In addition to the standard Company Benefits, you may be eligible to participate in Boa's discretionary bonus plan. Bonus amounts are determined at the discretion of management and may be based on company and individual performance and on employee longevity with the Company.

BMS provides employees the opportunity to receive monthly reimbursement for a Lifetime Fitness Center membership. Employees are entitled to vacation accruals of a minimum of three

(3) weeks during a 12 month calendar year in addition to five (5) sick days and BMS approved Holidays. The Company's work week offers a flexible schedule and details can be discussed upon hire.

BMS is currently hiring qualified people for the following positions in our Houston office:

- **Hydrodynamicist**
- **Structural Engineer**
- **Naval Architect**
